Subject: Appointment of Anthony Bailey as Vice Provost for Global Initiatives

On behalf of President Nikias, I am pleased to announce the appointment of Dr. Anthony Bailey as Vice Provost for Global Initiatives, effective October 1. Anthony has served in this position on an interim basis since August 1. Previously he had held the position of Associate Provost for Global Initiatives.

He will advise me regarding the full range of international issues, oversee USC’s international offices, direct the agreements process with foreign institutions, and undertake other initiatives that solidify USC’s position as a premier global research university.

As Associate Provost for Global Initiatives, Anthony was instrumental in planning USC’s London conference, led the establishment of several new overseas offices, and negotiated agreements with foreign governments to fund and recruit highly qualified Ph.D. students to USC.

Prior to coming to USC, Anthony served as the executive leading development in Latin America for Kaplan Inc., the education subsidiary of the Washington Post Company. Before that, he served as the president for Kaplan International Colleges (formerly Kaplan Aspect), a global language and university preparation division operating in 20 countries, with over 1,700 employees and serving more than 50,000 students each year.

Fluent in Portuguese and conversant in Spanish, Anthony represented the education industry with respect to trade agreements on an advisory committee of the Office of the U.S. Trade Representative and the U.S. Department of Commerce. He earned his Bachelor’s and Master’s in Marine Science at the University of Miami and holds an MBA from the University of Virginia’s Darden Graduate School of Business Administration. He received a Doctorate in higher education management from the University of Pennsylvania.
